Proudly Presents

“Big Daddy Returns”

Big Daddy is Here

A PLAY WITH MUSIC

Back by popular demand!

Community Actors Theatre wants to take you back in time a little...back to the beginning of the “Blues”. This “HOT” Musical Revue, to Commemorate Black History Month, is on the Blues, Jazz, and Pop. We will begin with the “Blues”, which was said to have been born out of heartaches and disappointments. Steaming hot music, shimmering from the 1930's to the present. These songs will bring you from sorrow to happiness, for there is a heartfelt, soul stirring message behind every song. This “HOT” shaking Musical Revue will move you, groove you, and leave you with a message you won't be able to shake! Honor and celebration will be shown to Artists such as, Muddy Waters, (Big Daddy), Nat King Cole, Sammie Davis, Jr., Aretha Franklin, Natalie Cole, Carmen McRae, Etta James, Billy Holiday, and Nina Simone.
